NOTE FOR: DDA  
ADDA

SUBJECT: Office Briefings on Major Programs with  
Resource Issues

Rae/Roy:

1. As a tasking from the last Quarterly, we asked the Office Directors to submit a list of projects that they would brief at the weekly staff meetings. The purpose of the briefings was to bring everyone up to date with the current status of the projects and to outline any resource issues/problems. The briefings were to last 15-20 minutes.

2. Attached is a list of topics that were submitted by the offices. Due to the large number of topics, I have also included a staff recommendation which reduces the overall number of briefings. It would take over 3.5 months to get through the staff-recommended list at one briefing a week.

3. Please let me know which of the topics you want briefed and I will begin to schedule them.
